

Regal® XT

Huhtamaki

*No matter how you stack it or pack it,
Regal XT gives you more.*

Greater opportunities in the same freezer space.

- 48 oz. footprint
- Taller packaging
- Five deep on standard 22" shelf
- Bold graphics
- Bigger message
- Easy to hold shape

The new shape of efficiency.

More containers per shelf means more in the cabinet.

Maximize your space.

Regal® XT 48 oz. containers go five deep on a standard 22" shelf. Others only allow four. Regal XT's narrow width and taller height gives you the same volume in less space.
